WHY SPONSOR VENICE VOLLEYBALL?

- ◆ **Venice Volleyball Needs Your Support.** The Program depends upon a broad base of local businesses and individual sponsors to operate, including purchasing equipment, supplies, travel, outside coaching, and team-building and recognition events throughout the season.
- ◆ **Build Community Goodwill.** Fans, players, and families want to support organizations in their community that support their local high school athletic teams.
- ◆ **Increase Brand Awareness.** There is no more personal way to introduce or reinforce brands, products or services to the local community than by supporting high school athletic programs.
- ◆ **Foster Secondary Education & Athletics.** Athletic participation can be an essential part of secondary education for many students. With limited and shrinking athletic budgets, teams must generate their own means of supporting their programs. Your sponsorship is critical to the success and development of the Program and the young student-athletes in it.
- ◆ **Gain Favorable Media Exposure.** In addition to direct exposure to attending players, families, and fans, local sponsors reach their customer base in the community through newspaper and website coverage of games, too, as their displays of support of local high school athletics are often re-broadcast through photos and videos of the event.
- ◆ **Tax Deductible Contribution.** As a Federally approved 501c(3) nonprofit organization, contributions are tax deductible either as a charitable donation or as an advertising expense for your business. Please consult your CPA for details.

Thank You!

The Venice Volleyball Association, Inc. ("VVA") conducts fundraising, sponsorship, events, and special projects for the Venice High School Girls Indoor Volleyball Program. The primary mission of VVA is to exceed the support expectations of VHS's nationally competitive, public high school volleyball program, sustaining a perennial state powerhouse and source of pride, entertainment, enjoyment, and personal growth for the players, parents, families, coaches, students, fans, and community. A second mission of VVA is to offload the burden of non-coaching program support from the coaches, leaving them to do their most important work: coaching and developing winners—teams and individuals—at all levels (varsity, junior varsity, and freshman). The third and final mission of VVA is to foster a culture and environment of athletic achievement, sportsmanship, scholarship, friendship, community service, and personal development for players at all levels of the Program.
